

What's New with **CLEP**

The College-Level Examination Program® (CLEP®) continuously looks for ways to improve so that we can better serve all students. Below are some new CLEP initiatives to help test centers build a successful CLEP program and to further support military service members and other students as they pursue their educational goals.

CLEP Digital Toolkit

This online resource includes various materials to spread the word about CLEP:

- Customizable CLEP flyer
- Best practices
- Web banners
- Sample copy for your website, social media, and emails to students

Download these materials at clep.collegeboard.org/clep-digital-toolkit.

Free CLEP Courses from Modern States Education Alliance

A series of free online courses in CLEP subjects is now available through the Modern States Education Alliance. The courses are taught by college professors and delivered online via the Modern States website.

The CLEP courses are self-paced, and there are no prerequisites or restrictions on enrolling.

Courses are continually being added. Modern States aims to have a course for all 33 CLEP exam subjects.

To view the current list of CLEP courses and sign up, visit the **Modern States Course Catalog**, modernstates.org/course.

If you have additional suggestions to improve CLEP, email us at clep@collegeboard.org.

Supporting the Military

FREE CLEP EXAMS FOR U.S. AIR FORCE CIVILIAN EMPLOYEES

U.S. Air Force civilian employees are now able to take CLEP exams at no cost at fully funded test centers in the U.S. and on-base test centers. For more details, view the DANTES Eligibility Chart at clep.collegeboard.org/military.

FREE CLEP EXAM GUIDES FOR DANTES-FUNDED CANDIDATES

Eligible DANTES-funded candidates can now order exam guides for free through the CLEP My Account portal. DANTES-funded candidates have the option to either select the exam guide they want, or if they order a CLEP exam, the corresponding exam guide will be automatically added to their cart. Share the news with your students eligible for DANTES funding.

AUTOMATIC CANCELLATION OF REGISTRATION TICKETS FOR DANTES-FUNDED CANDIDATES

To prevent candidates from losing their DANTES funding for CLEP exams, CLEP will automatically cancel DANTES-funded registration tickets six months from the purchase date. There is no penalty for canceling an order. However, once an order is canceled, the candidate must reorder a registration ticket when ready to take the exam.
