EARN CREDIT TOWARD A COLLEGE DEGREE WITH CLEP

What Is CLEP?

College-Level Examination Program® (CLEP®) exams are a low-risk, time-saving way for you to earn credit and get closer to your college and career goals. CLEP offers 33 exams that cover what's taught in introductory college courses, and most colleges award credit for qualifying scores.

CLEP Results

A study by the Council for Adult and Experiential Learning found:

- Students who took prior learning assessments (PLA) like CLEP exams saved an average of 2.5–10.1 months earning their bachelor's degrees compared to non-PLA students.
- PLA students who earned an associate degree saved an average of 1.5–4.5 months to degree completion.
- An adult student who earns 15 PLA credits toward a degree can save about \$1,605–\$6,000.
