

CLEP Bulk Purchase Program

The College-Level Examination Program® (CLEP®) Bulk Purchase Program allows schools, districts, employers, and other institutions to cover the costs of CLEP exams for large groups of test takers.

How It Works

- Purchasing institutions will receive a list of voucher codes that test takers can use to register for CLEP exams.
- Test takers register online (clep.collegeboard.org/register/exam) using a voucher code in lieu of payment. At the end of the checkout process, test takers receive a registration ticket that is valid for six months and can be used at any CLEP testing center (clep.collegeboard.org/search/test-centers).
- Purchasing institutions are invoiced each month for exams taken during the previous month. High school and district purchasers will also receive a report of test taker scores each month.
- To order voucher codes, complete all fields in the CLEP Bulk Purchase Order Form and return the form to clep@collegeboard.org by the appropriate order deadline.

NOTE: If you plan to submit your form by printing, signing, and scanning it, please also email an unsigned Excel version of your completed form. The Excel version is required in order to input your information into our ordering system.
